

Federal Republic of Somalia
Ministry of Finance

November 24, 2018

Statement For immediate Release

The Ministry of Finance welcomes the decision of the Parliament to dismiss the report of the Finance Committee on the 2018 budget execution on the grounds that it deviated from Parliamentary procedure and the constitutional process today.

The Ministry of Finance authoritatively refuted the full content of the Committee's report and presented evidence which convinced Parliament to nullify it.

The Ministry will continue to lead in all financial reforms as guided by the laws of the land and in line with international commitments. The Ministry is committed to continuing to undertake its role transparently and accountably. Moreover, the Ministry will further strengthen its partnerships with all stakeholders to effectively deliver on its mandate to the Somali people.
